

# MURAL

## Abril

The mural for April is divided into several sections. At the top, there are two panels titled "Ayuntamiento Municipal de San Juan" with photographs of council meetings. Below these are two more panels, also titled "Ayuntamiento Municipal de San Juan", with text and photos. The bottom half of the mural is filled with several official documents, including resolutions and reports, some with blue circular stamps.

# INFORMATIVO

The informative section features a large document at the top with a detailed illustration of a sailing ship. Below this are several smaller official documents, including resolutions and reports, some with blue circular stamps. The background of the section is a light green color with a faint image of a ship.
