

MURAL DE INFORMACIÓN OCTUBRE 2024

MURAL DE INFORMACION

The bulletin board is densely packed with information. At the top left, there's a document with a green header. Next to it is an Instagram post showing a group of people. To the right is a Facebook post with a video player. Further right is a flyer for 'MOVIL' with a blue and green design, mentioning 'Martes VIETTES'. Below these are several newspaper clippings, including one titled 'BOLETÍN' with multiple columns of text and photos. In the center, there are two orange official stamps on a white document. To the right, there's a large document with dense text, possibly a council agenda or minutes. At the bottom, there are more documents, some with official seals.
