

## SERVICIO DE RECOLECCIÓN DE RESIDUOS SÓLIDOS

### Informe de Cumplimiento de Rutas, Frecuencias y Cobertura

Periodo. Octubre de 2024.

El departamento de Limpieza y Aseo de Residuos Sólidos, en coordinación con la división de Formulación, Monitoreo y Seguimiento de Planes, Programas y Proyectos, se encarga de monitorear y dar seguimiento al cumplimiento de las rutas establecidas en las seis (6) zonas de recolección del municipio de Moca. Los mecanismos utilizados para medir el cumplimiento y cobertura son los siguientes: supervisión continua de los camiones en ruta, registro diario de las salidas de los camiones y asignación de rutas especiales ante cualquier eventualidad.

El Ayuntamiento se encarga de la recolección de residuos sólidos en la ciudad de Moca y sus seis (6) secciones, distribuidas en seis (6) zonas de recolección que comprenden un total de noventa y cinco (95) sectores (barrios/parajes). Además, se brinda apoyo cuando por alguna razón (avería de camiones, días de lluvias intensas, días feriados, entre otras) no se puede acceder a algún sector.

Actualmente, se brinda el servicio de recolección un mínimo de dos veces por semana en la zona urbana de Moca, cubriendo el 98.18 % de la población. Ver Informe.

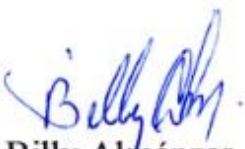

Es importante destacar los siguientes aspectos:

1. Cada 15 días y en casos de fenómenos naturales. Se realiza la jornada de imbornales y limpieza de cañadas en los sectores: Los Cáceres, Estancia Nueva, Los López y Villa Olga. Mensualmente y en casos de fenómenos naturales. Una vez al mes se realiza la jornada de imbornales en los sectores: El Bolsillo, Residencial Alexandra, Pueblo Arriba, Urbanización Estela, La Milagrosa, Don Bosco, La Joyita, Villa Carolina 1,2,3 y 4, Los Maestros y Eurípides.
2. El Ayuntamiento dispone de dos camionetas pequeñas de la marca Daihatsu Hijet, que se utilizan para realizar la recolección en lugares donde no es posible el acceso de camiones.
3. Durante todo el mes de octubre, la recolección se realizó dentro de los parámetros normales.

Asimismo, atendemos las quejas o sugerencias de los ciudadanos con el objetivo de abordar cualquier dificultad que pueda surgir en el servicio. Brindamos respuestas inmediatas o, como máximo, en un plazo de dos días hábiles.

Adjunto encontrarán detalles del cumplimiento diario de la frecuencia.

Realizado el día cuatro (4) de noviembre año 2024.

Sr. Billy Almánzar  
Enc. del dpto. de Limpieza y Ornato Municipal
