

# Mural Informativo Ayuntamiento Municipal

The bulletin board is filled with a variety of informational materials. At the top, there are several photographs showing municipal events, including a wedding ceremony and group photos of officials. Below these are several columns of text, likely news articles or reports, interspersed with smaller images. On the right side of the board, there are two prominent posters. One features a green recycling truck and the text 'ALCALDÍA Y UN PASEO DE BARRIO' and 'VIVAS Y FRECUENTES DE RECOLECCIÓN'. The other is a dark poster with the word 'Servicios' written vertically. The board is held together by colorful pushpins.
